## The Fellowship Toy

For the next shipment, we have so far collected 1,500 toys, **please keep these toys coming in.** Call me, I will collect. (Allan 01886 832940) Please talk to your Scouting and Guiding contacts in your area who will be delighted to take part with this project.

All three kindergartens, 17 child friendly spaces and three multi-activity centres in Zaatari refugee camp have benefited from the "Toys for Smiles" initiative. Many more toys are still needed.

We urgently need to reach 2,000 toys by the end of February. That's when the next flight will be.
