A wonderful chance to meet up with old friends and make new ones to. Our National Secretary and his wife Sue have booked to go. Having been to Sydney on previous occasions before, Allan and Sue are familiar with travelling and sightseeing around Sydney.

Should you want to talk about a proposed trip to this event, the National Secretary has set up a **"Phone in Day"** 01886 832940 on Monday 17th February 2014 from 10am to 4pm to call and discuss your questions.

The forms for booking the conference are available from your International Secretary, Sue Page 01886 832940 or [sue.page3@btinternet.com](mailto:sue.page3@btinternet.com)

The closing deadline for booking the conference is the 30th April 2014 with 50% of the cost of the conference and hotel accommodation for each person. The costs are worked out on the registration form. The details of sending the forms to ISGF together with the fees are detailed on Page 5 of the registration form.

When booking your flights through a travel agent, ask them to obtain a visa for you. You must have a visa to enter Australia.
